

Real Estate Resources on the Internet

In today's ever changing real estate market, the internet plays a key role in relaying information within the industry. There are many websites that may be helpful to you or your clients offering statistical data and trends, discussions on current local or national issues, and tips on developing business strategies. Here are just a few frequently referenced websites for brokers and lenders along the front range of Colorado:

www.coloradorealtors.com (Colorado Association of Realtors)
www.realtytimes.com
www.denverpost.com (Denver Post)
www.rockymountainnews.com (Rocky Mountain News)
www.mortgage101.com
